STATE OF NEW HAMPSHIRE.

To the Inhabitants of the Town of Goffstown, in the County of Hillsborough, in said State, Qualified to Vote in Town Affairs:

You are hereby notified to meet at the town house in said town, on Tuesday, the fourteenth day of March next, at 9 o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary town officers and agents for the ensuing year.

2. To raise and appropriate such sums of money as may be necessary for the support of schools, for the maintenance of the poor, for the repair of roads and bridges, and for Memorial Day.

3. To see how much money the town will vote to raise for the Rogers Free Library.

4. To see how much money the town will vote to raise to pay on existing debts of the town.

5. To see if the town will vote to raise and appropriate the amount of money necessary to comply with the provisions of the law passed at the January session, 1905, for the permanent improvement of highways.

6. To see what sum of money the town will vote to expend for the repairs of highways and bridges for the ensuing year.

7. To see what action the town will take relative to the improvement of the cemeteries of the town, and fencing and otherwise improving the land purchased of D. W. Hoit at the west yard.

8. To see what action the town will take relative to the distribution of copies of Old Home Day exercises among the taxpayers of the town of Goffstown.

9. To see what action the town will take relative to the writing of a town history, and appropriate money for the same.

10. To see if the town will vote to instruct the selectmen to lay out a winter road from a stake on the highway near the house of Mrs. Louisa Cleveland, across the land of the said Mrs. Cleveland and land of Charles A. Davis and land of Orrin T. Clough, to a stake on the highway between the house of said Clough and the house of Albert Jones, said road to be open only from November 15 to April 1 of each year; this road to run nearly or quite as the old road runs.

11. To see if the town will vote to instruct the road agent to dig a ditch on the east side of the highway leading to Paige Hill from Goffstown Village, so that the surplus water will not flow on the land of Alfred Colby.

12. To see what action the town will take relative to building new, or repairing the old, lockup, and appropriate money for the same.

13. To see if the town will vote to instruct the selectmen to purchase land and erect thereon a suitable building for housing town property, and the purchase of a road machine, should one be needed, and raise and appropriate money for the same.

14. To hear the reports of agents, auditors, and committees, and pass any vote relating thereto.

15. To transact any other business that may legally come before said meeting.

Given under our hand and seal the 25th day of February, 1905.

GEORGE L. EATON,
WILLIAM P. HADLEY,
Selectmen of Goffstown.

A true copy of warrant. Attest:

GOFFSTOWN, February 16, 1905.

REPORT OF THE BOARD OF HEALTH.

The past year has been one of unusual freedom from contagious diseases. What few have appeared have been seemingly sporadic in their nature. In this respect the town has been very fortunate. The usual advice and caution relative to drinking water and sink drains is always in order.

Complaint was made some time in March, 1904, that the body of a dead horse had been placed in the bog brook, near the bridge by Paige's field. A meeting of the board was called and steps taken to obtain information relative to the matter. Meanwhile the offending portions of the body were removed and the nuisance seemingly abated. No further action by the board was taken.

The matter of exposing the bodies of dead animals is one that the laws of the state are strict on, and the penalty quite heavy. People should be very careful about disposing of dead animals. The only proper method of such disposal is to bury.

REPORT OF THE TRUSTEES OF THE ROGERS FREE LIBRARY.

It was thought best to give our citizens better access to our books, and to accommodate more if possible, and the past year the library has been opened on Wednesday evenings from seven to nine o'clock, in addition to Saturday afternoon from three to eight o'clock, and the patrons have apparently appreciated it. For several years past the trustees have called your attention to the matter of increasing the floor space of the library, and each addition of books makes it more imperative that some favorable action be taken, as it is already very inconvenient for the librarian to perform her duties in such cramped quarters. The trustees especially desire to receive by gift or purchase the histories of the different towns in the state, and parties knowing where these histories are to be found will confer a great favor by notifying us. The history of Bedford is a valued addition this year.

REPORT OF THE TRUSTEES OF CEMETERIES.

Another recurring year we are called to make report of our doings and the condition of the last resting place of our departed friends.

The yards have in general been kept in good shape, quite a number of additional improvements in private lots as well as public. In accordance with the vote passed in March, 1904, relative to the purchase of land for an addition to the yard at the west village, we have purchased of Daniel W. Hoit a lot of land west of the present yard, which land will be sufficient for many years.

The ladies of the Goffstown Unity Club moved in an improvement in the yard at the village, and donated the sum of one hundred dollars, which they expended under a committee composed of Mrs. Mary A. Parker, Mrs. Mary F. Sumner, and Miss Annie Kendall. The committee employed Mr. Charles Rowell of West Manchester, who graded several of the driveways and walks, also returfed the tomb and made considerable improvement in other ways in the yard, all of which was greatly appreciated by the citizens.

We purchased of the Walworth Manufacturing Company of Boston an improved iron frame, upon which to set the boxes containing the caskets for the tomb at the village, but the same did not arrive until after the tomb began to be used in the fall and we deferred setting up the same until spring.

We desire to extend our thanks to the citizens of the town, and especially to the ladies, for the interest taken in the gen-

eral improvement of the yards, and their hearty co-operation and support.

REPORT OF THE BOARD OF EDUCATION.

SPECIAL SCHOOL DISTRICT, NO. 1.

Citizens of the Special District:

Another cycle of time has gone its way, and the record of the schools in the Special District for the year ending January 1, 1905, is closed.

If the time has been well improved it will be a truly pleasant review that the pupil will call up in review before him.

It is little, indeed, the board of education can do, no matter how zealous they may be, if the pupil has no ambition or apparent care for an education, and blindly plods along the school journey. Now and then a bright intellect becomes conscious of and fully aroused to the opportunities and possibilities our system of learning places within its grasp, for the school is truly the "open door" to all that is best in life, most emphatically now as well as afterward.

We can well afford to delve and study for a time, and burn the midnight oil if need be, in laying a firm foundation, lasting and secure, for future calls, that will prepare and strengthen us for the demands of life which all must certainly face sooner or later; a training, if you please, which comes from honest application to our books and tasks, and which will certainly bring its well-earned reward in the after stress of life, wherever we may be.

Our corps of teachers has changed but little from a year ago. Mr. Walter B. Pierce is completing his third year as principal of the high school, and Miss Amanda I. Symonds of Salem, Mass., succeeds Miss Hope G. Robinson, who de-

clined re-election, as the assistant. Miss Nina L. Kendall continues in charge of the intermediate room, and Miss Laura M. Blood in the grammar department, while Miss Mary A. Warren, who for thirteen years had the first primary room under her control, was promoted to the second primary, succeeding Miss Helen B. Carr, and Miss Ina E. Tuttle of Manchester was chosen as teacher of the first primary.

The very satisfactory experiment of last winter to raise the standard of the primary department for more thorough fitting of the pupils on entering the intermediate room, while seeming to meet a plain and urgent want, was abandoned by the board, and they determined to add a second assistant in the high school to take up neglected studies, which necessitated providing another recitation room, and which was obtained by partitioning off a section of the high school room, that could well be spared, thus furnishing a well-lighted, convenient room, and Miss Edith M. Seeton was installed as the second assistant.

Mrs. Fred H. Poore was chosen teacher of music at the opening of the school year, and brings to this important feature of school work superior ability and the spirit of enthusiasm so essential in its teaching. The salaries of the regular teachers have been equalized, each teacher aside from the principal now receiving equal pay.

We congratulate the district on the retention of the trusted services of Mr. E. A. Brown as janitor.

The schools have been in session thirty-six weeks, and the enrollment gives our total number of school age children as 199, the division being 106 boys and 93 girls, a gain of 19 over 1904.

The school building has been thoroughly painted outside, and the tinting of the walls and whitening of the ceilings in class rooms and hallways, commenced last year, has been completed. Outside stairs have been placed as fire-escapes for grammar and high school rooms, supplemented by three lad-

ders that are hung on different sides of the building, ready for immediate use should such unwelcome emergencies arise.

The Ward readers have been placed in the second primary and intermediate rooms, continuing the plan of those in the first primary, which have excellent advantages.

The "Medial" series of writing books, published by Ginn & Company, Boston, introduced in conjunction with the Town Schools last year, give very general satisfaction.

Good penmanship is an essential accomplishment, and this system we believe to be built on right principles and is the best development of that important art.

Copies of a hand-book of the New Hampshire Constitution have been placed for use in the grammar and high schools as required by law.

Through the enterprise of the teachers, a fund was raised for investment in reference and helpful books, also a neat bookcase provided. We thank them for their interest.

Memorial Day was fittingly observed, while the Washington, Lincoln, and other worthy anniversaries have been patriotically recognized.

We are indebted to Senator Burnham for his valued address to the graduating class, also for an accurate and useful map of the United States for the high school room.

We all rejoiced in the success of united efforts resulting in sending Miss Nina L. Kendall, through *The Union* canvass, to the St. Louis World's Fair as the most popular teacher in the state.

To the thoughtful parents and friends who have given encouragement to pupil and teacher by occasional visits to the schoolroom, we express our thanks, and wish the custom might be more generally followed, for truly it pays in better service and helpful incentive.

The work of our public schools is a grand one, for in their broad mission is bound up the welfare and substantial progress of state and nation. Good citizenship is what all hope for from these boys and girls as they pass on and out into the

busy, hustling arena of life. Now is our time and opportunity to aid in forming character, a worthy and lasting purpose, and to which cause we should dedicate our best endeavors in carrying forward the noble work of our public schools

Very respectfully submitted,

WILLIAM H. STINSON,

REPORT OF THE SCHOOL BOARD OF THE TOWN SCHOOL DISTRICT.

The school board of Goffstown having attended to the duties assigned them now render to the voters an account of their stewardship. The board, as they now act, are three little independencies. Each has his separate schools to visit and examine and, according to custom, has nothing to do with the others except in cases of difficulty.

The writer, therefore, has to depend upon the testimony of others for general information concerning those districts he did not visit. All things considered, we believe that most of the schools have done as well as could be reasonably expected, and yet we are obliged to confess that under different circumstances some of them might have done far better.

We have endeavored to impress upon both teachers and pupils that good discipline is indispensable to the best interests of the school.

A school without order is like a ship upon the ocean without chart or compass. A person who has not the tact to govern well cannot expect to succeed as a teacher. It should not be considered as anything against a person's character if they do not succeed in teaching. They have simply mistaken their calling.

To the parents we would say, the homes, as well as the schoolroom should be the dwelling-place of order, neatness, and especially of purity of speech. Visit the schools as often as possible. Be sure your children go every day and in season.

A register covered with tardy marks is as much of a reflection upon the parents as upon the scholars. Let nothing but

sickness detain them at home. The parent or guardian often keeps the child at home for some trivial excuse, and unless we send the truant officer to enforce the law irregularity soon becomes a fixed habit. To such we would call attention to the Public Statute upon the subject, which reads as follows:

"Every person having the custody and control of a child between the ages of eight and fourteen years, or of a child under the age of sixteen years, who cannot read at sight and write legibly simple sentences in the English language, residing in a school district in which a public school is annually taught, shall cause such child to attend the public school *all* the time such school is in session, unless the child shall be excused by the school board because his physical or mental condition is such as to prevent his attendance at school for the period required, or because he was instructed in the English language in a private school approved by the school board for a number of weeks equal to that in which the public school was in session, in the common English branches, or, having acquired these branches, in other more advanced studies. Any person who does not comply with the requirements of this section shall be fined ten dollars for the first offense, and twenty dollars for every subsequent offense, for the use of the district."

The much needed repairs have been made at Kennedy Hill, and the Mountain schoolhouse has been painted on the outside.

While our schoolhouses will need some repairs the coming year, we believe they are in very good condition.

We would especially call your attention to the annual meeting, which will be held in the Grasmere schoolhouse on Saturday, March 18, at 2 P. M.

Articles 9 and 10 relate to building a new or moving the Mast Road schoolhouse.

MOUNTAIN.

The spring and fall terms were taught by Miss Edith J. Jenks.

The winter term was taught by Miss Lois I. Newton of Manchester.

Both teachers labored conscientiously for the welfare of the school.

PERFECT ATTENDANCE.—*Three terms:* Daisy May Brown.

Two terms: Emma Gatz.

One term: George H. Brown, Harold Brown.

SHIRLEY HILL.

Spring term taught by Miss Lena Mae Crough. Miss Crough has taught this school several terms and the school has prospered under her instruction.

Fall and winter terms taught by Miss Florence E. Paige. This was Miss Paige's first experience as an instructor. The examinations were very good.

PERFECT ATTENDANCE.—*One term:* Maurice Johnson.

KENNEDY HILL.

The spring and fall terms were taught by Miss Annie E. Kendrick, who labored hard for the school. Very good progress was made. For lack of pupils the winter term was cancelled.

PERFECT ATTENDANCE.—*Two terms:* Edward W. Kendrick,

One term: Bertha Kendrick, Charles Kendrick, Helen M. Kendrick.

MAST ROAD.

All three terms taught by Miss M. Elsie Moore and good results were accomplished.

EAST PART.

The spring and fall terms were taught by Miss Flora E. Barnes of Bakersfield, Vt. The best of results were obtained.

The winter term was taught by Miss Emma G. Flanders of Manchester, who endeavored to rule by love. Finding this a failure the rod was applied, and with the help of the school

board order was restored. The latter part of the term was fairly successful.

TEBBETTS HILL.

The spring and fall terms were taught by Miss Anna Barnes of Bakersfield, Vt. Miss Barnes is an ideal teacher and the very best of results were obtained.

The winter term was taught by Miss Jennie Russell of Manchester.

PERFECT ATTENDANCE.—*Three terms:* Lucy E. Beard, Rolla C. Beard.

Two terms: Fannie S. Beard, Nellie R. Beard.

One term: Bernice Jones, Mabel Jones.

GRASMERE GRAMMAR.

All three terms were taught by Miss Elisabeth E. Brown, who labored diligently and faithfully for the best interest of all, fully sustaining her previous record. Progress made was very satisfactory to parents and scholars. We consider Miss Brown one of our most painstaking and conscientious teachers.

PERFECT ATTENDANCE.—*Three terms:* Leona P. Greenwood.

Two terms: J. Maud Aiken, Harrison W. Russell, F. Ethel Vining, Benjamin F. Greer.

One term: Lauretta L. Swett, Mary S. Whitney, Maud A. Flanders, Henry G. Trow.

GRASMERE PRIMARY.

The entire school year was taught by Miss Mary Morrow, a graduate of the Manchester High School, who worked hard for the improvement of the school and endeared herself to all her pupils. The progress made was very satisfactory, and we believe with a little more experience Miss Morrow will make one of our best teachers.

PERFECT ATTENDANCE.—*Three terms:* Verna B. Aiken, William R. Eaton.

One term: Katherine H. Greer, Hazel B. Taggart, Horace Jones, Clifton Gould, Raymond C. Greer, Donald B. Swett.

PATTEE HILL.

All three terms were taught by Miss Lena E. Parker. Miss Parker gave good satisfaction.

PARKER'S.

All three terms were taught by Miss Emma A. Root. The results were satisfactory. Finding the writing books were in wretched condition we offered prizes to the pupil making the most improvement in neatness and writing, and now we find nearly all the books are models in neatness at least.

PERFECT ATTENDANCE.—*Two terms:* Charles Emerson.

One term: George Emerson, Bertha Royce.

PAIGE HILL.

The spring and fall terms were taught by Miss Flora A. Paige. At the close of the fall term Miss Paige concluded to change her name, the people who had children moved out of the district, and for lack of pupils the schoolhouse was closed for the winter term.

PERFECT ATTENDANCE.—*Two terms:* Bertha A. Royce.

One term: Earl C. Whipple, Stanley I. Whipple.

"I am sorry to bother you, but my glasses have got bent"

is what our patrons often say when they come in with their glasses out of fix. Now we never lose interest in our patient and it is never any trouble to keep our glasses in perfect adjustment. You confer a favor upon us by calling often and making it possible to keep your glasses in perfect shape and give your vision the best results.
